

**Chebucto AGM**  
**VP Executive Year in Review**  
**2025-2026**

---

I would like to thank all the Coaches, Managers and volunteers for all their time this past season.

**Coaches Selection**

For this season, the call for coaches went out early July 2025. CMHA had just enough volunteers to fill the coaching positions this season. The coaches selection committee did not have many decisions to make this season. The midseason coaches review will be used by the selection committee and for feedback to our coaches.

**Technical Director**

Paul Hunt has done a great job to date in his role as technical director. The mentorship that he has provided so far for coaches has not gone unnoticed and more support is planned for the upcoming season. Next season Chebucto's ice time allotment gained a few more hours and this will help with more practice/development.

**Complaints/Discipline**

Suspensions were down a little in numbers compared to the previous season. An updated complaint resolution process was adopted and followed this season.

**Highlights of the Season**

- Consistant amount of coaches continue to volunteer to fill all vacancies
- New Technical director making his mark
- Competitive teams
- New ice booking app helped utilize empty ice slots

**Suggestions and Ideas for Next Season**

- Continued support for coaches
- People need to volunteer so positions will be filled

In summary, I would like to thank all departing board members for their service to CMHA and I look forward to next season.

Respectfully submitted,  
Craig Messervey  
Executive VP
