

2024-2025 Chebucto VP Development Report

Chebucto Minor Hockey had one of its most successful player development seasons in recent memory. The addition of Paul Hunt as technical director enabled us to run more sessions with greater frequency permitting more players to attend. Development sessions were offered at most age groups for both players and goalies. Specific development sessions were run for defensive skills, forward skills, shooting and puck handling, as well as weekly core skills sessions. Keepers' Club was a huge success with the help from Empire Goaltending. Additionally, for the first time, March Break sessions were offered. All sessions were well received by participants and the feedback has been great! Further sessions are being planned for the summer and we plan to build on last year's success next season with similar programming.

I would like to take the time to thank all our volunteers and membership! You are what makes Chebucto great!

Also, a big Thank you to Paul for all his dedication and hard work!

Charlotte Peladeau
