

U9 Eval Drill 3 - 2 - 0 Pass & Shot

Description

Drill 3: 2on0 Pass & Shot (Skating, Passing, Shooting 10mins)

- Players line up on either side of the red line and start when the coach passes to either line
- Each player has to make at least one pass
- Shoot on the goalie and go to the net for a rebound!

Key Points

What to Watch For

- Can players make accurate passes that their partner doesn't have to stop for?
- Can the players maintain forward momentum while passing the puck?
- Are they scanning the ice to see where their partner is?
