Step 5:

Select the 'Background Check' tab to view any current or expired checks on file. Please note that if you have a current check and do not see it listed here, you will be marked as having your CRC/VSC incomplete. Completed checks MUST be downloaded and e-mailed to info@hockeynovascotia.ca and certifications@whalers.org to get marked as complete on your HCR profile. Please also ensure you are following new protocol for 2026 in terms of obtaining a CRC/VSC. (No longer done through mybackcheck). These CRC/VSC always expire at the end of August, regardless of the month they were performed, as seen below.

The screenshot shows the Spordle Account interface. On the left is a sidebar with navigation links: Dashboard, Members, My Courses, Calendar, Payments, Purchases, and Settings. The main content area is titled 'Members' and shows a list of members with initials (JR, AH, JH, OH) and a '+' button. Below this is a 'Back to profile list' link. The profile for 'JULIA REGAN' is displayed, with her HCR Number and Age redacted. The 'Background Check' tab is selected, showing a table of checks. The table has columns for Created Date, Type, Expiration Date, and Status. Two checks are listed: a Criminal Record Check (CRC) and a Vulnerable Sector Check (VSC), both completed on 2024-08-31 and expiring on 2027-08-31.
