

Eastern Shore Minor Hockey Association (ESMHA)

I am writing to express my sincere apologies to Paul, Natalie, ESMHA executive members as well the whole association. I deeply regret my actions and understand the impacts it had on everyone because of it. I want to apologize to Paul and Natalie as the impact of my actions not only interfered with their personal lives but also their professional lives outside of the hockey executive positions they hold and I am so sorry for that.

My actions brought a lot of doubt and mistrust towards their positions they hold in the association and I am the blame for that. I want to say I'm very sorry for my actions and how it impacted not only Paul and Natalie but everyone attached to the association. I'm very sorry.

I assure you all, I've taking steps to never have this happen again. I deeply regret this all and I want to say I am very sorry.
