

Bottle Drive Signups will open at 10:00am on Saturday, October 11, 2025.

Bottle Drives are such a great fundraiser and team activity.

If all of your team's requested spots are full, James/Greg will reach out and get your team signed up in an available spot, before moving onto the next team's submission. As slots are filled in, the Google Sheet mirrored below will auto-update within a couple of minutes.

Rules:

- Once a Zone is booked, it cannot be booked again the following weekend. (Bookings skip one week.)
- Bookings will be added to the Calendar in the order received. First-come, first-served.
- We are accepting only one booking per team at this time (Oct 2025).
 - Once all teams have a chance to plan one Bottle Drive, we will re-open for second time slots.
