

EAST HANTS PENGUINS

**PARTNERSHIP
PACKAGE**

Who We Are

The East Hants Penguins, founded in 1983 have over 350 players playing all levels of hockey, from the house league to competitive rep teams.

Our East Hants Penguins Team, is made up of a group of talented, eager and coachable junior hockey players from East Hants.

Our Focus

The East Hants Penguins are focused on fostering the love of the game, alongside building its organizational success with community involvement. A great part of our success stems from our parent volunteers who love the sport and what our organization stands for. Our focus is not only to create more skilled players, but to also better the children that play within our organization by teaching them team work, dedication, discipline and commitment.

Why Partner With Us

By partnering with our team, you are not only benefiting your company through our advertising, but you're helping your community's youth and our youth hockey organization. Through many East Hants Minor Hockey Association's sponsored events, we will also promote your business.
