

PLAYER ASSISTANCE FUND & TEAM FUNDRAISING OPPORTUNITIES

PLAYER ASSISTANCE FUND

- Please do not hesitate to contact our VP Community (or encourage a family to do so) if they are struggling with any hockey related fees. This is exactly what our Player Assistance Fund is for. It is confidential and people are not turned away.

IMPORTANT INFORMATION ABOUT PLANNING FUNDRAISERS

- Each team has the responsibility to project a positive image on behalf of the Hawks association when holding fundraising opportunities
- All fundraising opportunities are to be approved by our VP Community, Tracy Doyle (vp.community@halifaxhawks.ca). When you come up with an opportunity, please get her approval before beginning.
- Please make yourself familiar with the Sports Lotteries Eligibility and Use of Funds Policy and the Lottery Licencing for Fundraising Policy. These are located under Forms and Templates on the main page of the Managers "Binder".

 - The idea is simple: we organize a professional stand-up comedy night around Halifax Hawks Minor Hockey, and the event helps raise money through ticket sales while giving parents, coaches, friends and supporters a fun night out.

HALIFAX MOOSEHEADS TICKETS

- The Hawks have been gifted 5 pairs of Mooseheads tickets to give away. Managers (or coaches) can contact Tracy if they have a family they would like to identify who would enjoy this experience but otherwise would not have the means to attend.
