

What to do if you can't use your ice

From time to time, your team will be assigned an ice time that you can't use. This includes:

- Practice times
- Home game times

Your team is responsible for the cost of the ice it has been assigned unless you sell it

With this year's ice shortage, it is expected that you try to sell the ice to another MEIFHA team first. If you sell ice to another MEIFHA team, email the Ice Scheduler with the details listed below, and the billing will be changed from one team to the other. If no MEIFHA team can use the ice you can try to sell your ice to an outside organization (MHA; HCL ringette etc.). If you sell the ice to a team in another organization, you complete the transaction with the buyer of the ice. This means that the buyer pays you for the ice time and you will still be billed by MEIFHA. You can also send an email with your:

- Team name
- Name of team taking ice (if applicable)
- Date of ice
- Time of ice
- Rink building
- Ice pad (if applicable)

to the ice scheduler at <mailto:ice@metroeastinferno.ca> using "MEIFHA Ice for Sale" as the subject line in your email. The ice scheduler will try to help you sell the ice by sending it out to the ice distribution list.

Emailing the Ice Scheduler DOES NOT absolve you of the responsibility for the ice

It is not uncommon for a team to end up paying for an ice time they do not use. Keep this in mind when preparing a budget. If the ice you're selling is at **the RBC Centre**, we are required to advise the rink a week in advance, so look through your ice schedule and plan ahead. Once you have sold your ice let the ice scheduler know the details and they will advise the rink administrators of the changes.
