

Metro Force West Jersey Care Guidelines

Updated September 2024

Metro Force West provides jerseys for players of the association to wear. These jerseys represent a substantial investment by you, the members. Players are expected to treat their MWF jersey with respect and wear it with pride so others may do so in future years.

- Jerseys are to only be worn during game times. **At no time should assigned league jerseys be worn during practice sessions.**
- Jerseys should be properly cared for. Throwing a jersey in a hockey bag with an exposed skate blade and Velcro can cause damage to the jersey. We strongly recommend the use of a garment bag to protect the jerseys.
- Jerseys should be hung up to dry after wear and never put away wet.
- Regularly wash and hang dry your jerseys, do not put your jerseys in the dryer.
- Team jerseys shall be returned to the Team Manager, they will return the team set to the MWF Equipment Manager at the end of the season during the designated jersey drop-off time.
- Any unused jerseys will be the responsibility of the Head Coach and team manager.
- Additional sizes are available if needed to accommodate your team please reach out to equipment@metrowestforce.com

Name Bars, Sponsor Bars, 'C', 'A'

- Players participating in league/competition should wear a name bar
- Only Metro West Force's new sublimated name bars will be permitted on the new sublimated jerseys, older styles are not permitted
- Players will require both new home and away name bars (red on red jerseys, white on the white jerseys). Managers will be provided with Team Order info that includes name bar ordering through team sports at Pro Hockey Life.
- Please take care when sewing on name bars/sponsor bars/'C' and 'A's', they should be lightly, single stitched on, never ironed or glued. Name bars cannot cover the "STOP" sign.
- Be very careful when removing the name bars, etc. to avoid damaging the jerseys. Players/families will be responsible for paying the replacement cost for damaged or lost jerseys (\$60.00/jersey).

Washing instructions

- Machine wash inside out, with like colours
- Do not bleach
- Hang to dry only, do not place in dryer
- Do not iron
- Do not dry clean

Socks

- For U11 and above, players must wear the newly designed MWF socks (2024). Note, that older-style MWF socks are great practice socks.
