Production Information: Review colour specifications from the swatch-box only. Do not attempt to approve colours based on the appearance of technical drawing and garment images.

The technical drawing and garment image are provided for general colour/logo layout only. Logo to garment ratio will not be exactly proportionate to what is shown due to product limitations and varying product sizes.

Communication Information: If artwork changes are absolutely necessary, reply/email to your assigned Sales Consultant or call Head Office at 866.673.6425. Please reference the P.O. number listed in the top right hand corner of your mock-up when referring to a proof. Understand that artwork changes will result in delays and may incur costs.
