

Dear North River Minor Hockey Parents,

## Are you tired of hockey fees that are always rising?

In past years, we have asked you to participate in many fundraisers for our hockey association - money that directly benefits each and every one of our children. But this year you should join **FUNDSCRIP**, a new way to earn money for our association AND there is an added bonus with this program...you can earn money for yourself that will go towards your future hockey fees.

While most of our fundraisers ask you to take out your checkbook or buy things you don't really want nor need....**Fundscrip costs you nothing!**

Picture this: You make your usual visit to the grocery store. You fill your cart and go to the check out. Instead of paying with cash or a debit card, you use a gift card that you purchased through our association. It costs you nothing extra but you just earned money for yourself our association.

Receive more free money by ordering cards for your family members, sisters, brothers, aunts, Uncles, grandparents and friends.

## Tell me more about how I can reduce my hockey fees!

**30%** the money each family raises through Fundscrip will be helping the North River Minor Hockey Association and Communities 13 Inc to help offset the need for future fee increases and provide for rink projects that benefit minor hockey. The other **70%** will be available to you for minor hockey registration fees...that's right the money comes right off your registration. We had families for 2019-2020 that received over \$500 off their minor hockey registrations.

An average family will earn about **\$400 in FREE MONEY** using this program. That would mean you could have \$280 credited towards your hockey fees. And remember, **it doesn't cost you anything extra!**
