

Jersey Distribution and Return Procedures

Moving forward, there will be some changes to the process for distributing and returning team jerseys.

U7/U11 do not require deposits.

Jersey deposits are \$75 (one jersey given) for U9

Jersey deposits are \$150 (\$75 per jersey) for U13-U18.

- Jersey Distribution: Jerseys will no longer be distributed through team managers or coaches. Managers and coaches will also no longer be responsible for collecting jersey deposits or cheques.
- Tryouts & First Practices: I will be present at tryouts and/or the first practices with all available jerseys.
- Deposit Requirement: Jerseys will not be issued until a deposit has been received, either in cash or by cheque.
- Jersey Assignment: Once the deposit has been received, the jersey will be assigned to the player, dated, and documented with a parent/guardian signature.
- Jersey Numbers: Jersey numbers will be assigned on a first-come, first-served basis, while taking the player's required jersey size into consideration.
- End-of-Season Returns: There will be 2–3 designated time slots available at the end of the season for jersey returns. If none of these times work, parents/guardians must contact me directly to arrange an alternative time.
- Jersey Condition: All jerseys must be returned washed and in reasonable condition. Any name bars, letters, or other added identification must be removed before the jersey is returned.
- U9 Jersey Distribution

For U9 players who have yet to receive their jersey, parents/guardians are asked to bring the \$75 jersey deposit with them to their child's first practice.

Once the deposit has been received, the player will be assigned a jersey and provided with their jersey at the evaluation. This jersey will be the player's assigned jersey for the duration of the season.

- The jersey will be documented with the player's information, the date of the deposit, and a parent/guardian signature. All regular jersey return requirements will apply at the end of the season.

Thank you for your cooperation in helping ensure the jersey process runs smoothly for everyone.
