

### Uniforms & Sponsorship Banners

We are very excited to continue our fresh new look once again this year. In an effort to keep our jerseys in good condition, please respect the following rules:

- **Jersey sponsor bars are NOT permitted on game jerseys.** This is to save on damages of jerseys. We are recommending teams purchase retractable banners for display outside their dressing rooms.
  - Last season, LJR Printables in Kingston was available to provide this service; banners are approx \$180 (price may have increased with inflation and cost of materials), which last season was about \$10 per player, similar to the cost of a name bar. These will be paid for by teams, if their players have sponsors. So yes you can still get sponsors for your player, and there is no limit to the amount of sponsorship (right up to the full registration if you wish). They can be advertised on the banners and can travel with the teams to practices, games and tournaments (example photo below).
- **Name bars are also NOT permitted on game jerseys.** Again, this will cause increased wear and tear on the jerseys.
- **WVMHA has purchased matching socks, which will arrive with the new jerseys.** We will be selling these to teams once the order arrives. Managers will be given order forms and payment instructions, and the cost will be \$25 per pair.
