Fundraising and Team Specific Fee Commitment

There will be additional team fees during the season that are required for the effective functioning of Halifax Hawks teams (competitive and recreation). Players may be asked to participate in team-specific fundraising initiatives or otherwise, will be required to pay the difference if they choose not to participate.

These fees will be used for such things as extra ice purchases, registration fees for tournaments, etc. You are encouraged to make these fees part of the financial forecast for the season, prior to registering.

REFUNDS

All requests for refunds must be made in writing to admin@halifaxhawks.ca. We ask that you remain patient during the busy time of registration for a response.

- Refunds will be assessed on a case-by-case basis
 - Refunds will not be granted for injuries
- Approved refunds may have a \$35 administration applied plus insurance and Hockey Canada Fees
- If you participated in tryouts but are not successful in making a competitive team, tryout fees are not refunded. The tryout fee includes extra ice for tryouts.
