### NSMBHL SOCIAL MEDIA AND NETWORKING POLICY

1. **INTRODUCTION**

For the purpose of this Social Media and Networking Policy, the policy will encompass public communications through such internet mediums and websites as Facebook, X, Tik Tok, Instagram, and any other social media network that allows users to communicate online. The policy will be applicable to all members of the NSU15, including Directors, Teams, NSU15 members and staff, on-ice and off-ice officials, players, players' family members and supporters.

NSU15 recognizes and appreciates the value of social media and the importance of social networking to all of its stakeholders. NSU15 also respects the right to all Teams and Association personnel to express their views publicly. At the same time we must be aware of the dangers social and networking can present. The purpose of this policy is to educate the NSU15 Community on the risks of social media and to ensure all Teams and Association personnel are aware that conduct deemed to be inappropriate may be subject to disciplinary action by the Team or NSMBHL.

2. **SOCIAL MEDIA GUIDELINES**

a) NSU15 holds all members who participate in social media and networking to the same standards as it does for all other forms of media including radio, television and print.

- b) Comments or remarks of an inappropriate nature which are detrimental to a Team, the Association or an individual will not be tolerated and will be subject to disciplinary action.
- c) It should be recognized that social media comments are on the record and instantly published and available to the public and media. Everyone including Association and/or Team personnel, players, corporate partners and the media can review social media communications. You should conduct yourself in an appropriate and professional manner at all times.
- d) Refrain from divulging confidential information of a personal or team related nature. Avoid revealing business or game strategy that could provide another team or individual a competitive advantage. Furthermore, do not discuss injury information about any player. Only divulge information that is considered public.
- e) Use your best judgment at all times – pause before posting. Once your comments are posted they cannot be retracted. Ultimately, you are solely responsible for your comments and they are published for the public record.

**SOCIAL MEDIA VIOLATIONS**

The following are examples of conduct through social media and networking mediums that are considered violations of the NSU15 Social Media and Networking Policy and may be subject to disciplinary action by the Team or the NSU15.

- a) Any statement deemed to be publicly critical of league officials or detrimental to the welfare of a member Team, the league or an individual.
- b) Divulging confidential information that may include, but is not limited to the following: player injuries; game strategies; or any other matter of a sensitive nature to a member Team, NSU15 or any individual.
- c) Negative or derogatory comments about any member of the Team, NSU15 League staff, programs, stakeholders, players or any member of an opposing team.
- d) Any form of bullying, harassment or threats against players or officials.**
- e) Photographs, video or comments promoting negative influences or criminal behavior.
- f) Online activity that contradicts the current policies of the NSU15.
- g) Inappropriate, derogatory, racist, or sexist comments of any kind.
- h) Online activity that is meant to alarm other individuals or to misrepresent fact or truth.

3. **DISCIPLINE**

**The NSMBHL will investigate reported violation(s) of this policy. If the investigation determines that a violation has occurred, the NSU15 will impose appropriate disciplinary actions.**

4. **SUMMARY**

When using social media and networking mediums, NSU15 members should assume at all times they are representing NSU15 or its Teams. All members of NSU15 should remember to use the same discretion with social media and networking as they do with other tradition forms of media.

NSU15 members agree to adhere to all conditions set forth within the Social Media Policy. It is understood that violating the guidelines set fourth within the policy will lead to appropriate disciplinary action against both parents and or child/player.
