

U9 Gray Jay Game Day Guide

A structured summary outlining key features and workflows for: Manager or Coach, Timekeepers, Officials.

Manager or Coaches:

1. Login to the GrayJay Leagues admin portal at grayjayleagues.com.
2. Select the appropriate game and click **Away Sign Off** or **Home Sign Off**.

Each team must confirm their roster for the game, specifying which players will be playing, which goaltender will start the game, confirm jersey numbers, and specify which of the team staff will be on the bench.

Save Roster. A team admin must then sign (using finger/stylus on a smartphone or tablet or a mouse on a computer) to confirm the roster.
